

Dear Parents of ELP Students,

First of all, I am going to miss seeing your beautiful children every day at Meadowlark! And I wish you and your family the very best, staying healthy and keeping the students engaged in meaningful learning.

I have included a literature and writing packet for ELP students in grades 4th and 5th: A Greek myth with higher level thinking and writing activities. There are 8 activities, and they can do one a day, which should keep them busy for the next 8 school day. They may create a video or activity on their ipad/laptop, to go with the myth.

I will be available to communicate with you from 10:00-11:00 a.m. You can also email in the evenings if that works better for you.
